Did you get the 5 year review? Was uploaded to sharepoint today and I just got the CD delivered today. See this statement on ST12, seems to acknowledge they at least need to recharacterize and redo the model to see if EBR can meet the time frames.

Subject: 2016-8-9 - WAFB - thanks - EPA attendance list TBD -Aug 24 BCT meeting - ST012 -

Thank you. I have not seen an agenda, but given the estimated Aug. 24 ST012 meeting 830AM-2PM duration, I assumed the data presentation and a likely "move forward to EBR" discussion would be the Aug. 24th BCT meeting item. I also have not heard what USAF management level would be present/calling in. Please let me know if you obtain additional info from Catherine as to the ST012 Aug. 24 agenda and purpose for a 5 hour meeting.

Thanks. I am just trying to get the Aug. 24 meeting on Tina's calendar.

I'm not sure. Based on the letter we sent Phil I think there's an expectation that there will be a discussion of the new data either on or before the 25th. Angeles will be back tomorrow and I will know then.

Loren

Are you or Angeles planning to attend the August 24 ST12 BCT presentation either in Phoenix or by phone?

Can you please let me know who, and/or what management level will be attending or call-in monitoring the ST012 portion of the Aug. 24 BCT meeting?

I need to let Tina LePage know if her attendance is required as Section Manager.

Thank you.
